

MULTI-BOX DUO L

The built-in waste separation system - inconspicuous in position yet always ready to extend and fill. With 2 removable inner bins (2 x 14 l).

THE KEY FEATURES

Waste on the move!

If you have a fitted kitchen, you must make optimum use of the space available. Witness the Multi-Box duo L. This can be used for low-level cupboards from as little as 30 cm wide. Simply assemble on the right, left or centrally as required. The two 14-litres inner bins sit in a rail to pull them out. Waste on the move: easy filling and removal of the inner bins guaranteed. And so that nothing can slip, the bin liner can be fixed to the edge of the bin. Multi-Box duo L: the practical built-in waste separator.

- 2 removable inner bins (2 x 14 l): plastic, grey
