

HAILO MASTER D70

The compact aluminium double-sided folding step with non-slip, rubber-coated feet.

THE KEY FEATURES

- Accessible from both sides
 - Wide, non-slip steps for safe ascent and comfortable standing even for prolonged work sessions
 - Anodised steps and rail profiles for elevated weather resistance and easy cleaning
 - Plastic feet with rubber-coated surface to provide optimum stability and prevent slipping on various surfaces, such as tiles, parquet flooring and carpets
 - Compact storage and easy to transport
 - Safety catch in galvanised steel
 - Funding available from the German employers' liability insurance association of the construction industry (BG BAU)
 - Suitable for use as a workspace in compliance with TRBS 2121-2 (German technical rules for operational safety)
 - Tested to EN 14183
 - Max. load capacity 150 kg
-
